3	Lumbar puncture needles (disposable)	Available
4	Pleural biopsy needles (disposable)	Available
5	Liver biopsy needles (disposable)	Available
6	Kidney biopsy needles (disposable)	Available
7	Bone marrow biopsy needles (disposable)	Available
8	Bone marrow aspiration needles (disposable)	Available
9	X-ray viewing box	Available
10	Flexible Video End viewing Oesophago-Gastroduodenoscope (optional)	Available
11	Flexible Video Colonoscope (optional)	Available
12	Flexible Video Side viewing Gastroduodenoscope for ERCP (optional)	Available
13	Proctoscope	Available
14	Fiber optic bronchoscope (May be shared with TB&CD)	Available
15	Spirometer	Available
16	Bed side cardiac monitors	Available
17	Central Cardiac monitor Console	Available
18	Defibrillator	Available
19	Non-invasive B.P. Apparatus	Available
20	Pulse oximeter	Available
21	Equipment for Cardiac pacing	Available
22	Ambu bag	Available
23	Laryngoscope	Available
24	ECG machine	Available
25	Echocardiography machine	Available
26	Tread mill test machine	Available
27	Hemodialysis machine	Available
28	Peritoneal dialysis catheters	Available
29	Arterial blood gas analyzer	Available
30	Glucometer	Available
31	EMG and nerve conduction velocity machine	Available
32	Fine needle aspiration needle	Available
33	Aspiration needle	Available
34	Endotracheal tubes	Available
35	Invasive Mechanical Ventilator	Available
36	Non Invasive mechanical ventilator (Maybe shared with TB and CD)	Available

37	Nebulizer	Available
38	Portable Suction Machine	Available
39	Infusion pumps	Available
40	Weighing scale	Available
41	Multimedia Projector with Screen	Available
42	Patient Examination table	Available
43	Rubber Hammer	Available
44	Computer	Available
45	Torch	Available
46	Emergency Lights	Available
47	Upper GI endoscope (Optional)	Available
48	Sigmoidoscope (optional)	Available
49	Colonoscope (optional)	Available
50	Haemocytometer	Available
51	Light Microscope	Available
52	Haemoglobinometer	Available
53	Urinometer	Available
